

Our Growing Congregation

The postulants are spending much of their work time sewing their habits.

The Sisters meet with our architect to discuss revisions of the plans for the extension on the Motherhouse.

The Sisters enjoy a bountiful meal provided by a generous benefactor for a special occasion.

Before praying the Rosary, the Sisters at the Motherhouse gather to hear the most recent prayer intentions.

The postulants, novices and Sisters take part in the Candlemas Day Procession on February 2.
