Devotions for the Month of May

“Devotion to the Blessed Virgin will be your safeguard. If you are devoted to her, she will not only shower you with blessings on earth, but through her intercession, she will also secure Heaven for you.” These are the words of St. John Bosco. He encouraged all to have a great love and devotion to Our Lady. Especially during May, he instructed his students to pray and offer little acts of devotion each day to honor her. We share with you some practices that are based upon his “May Flowers for Our Lady.” He told his students, “Our Lady is waiting for you to give her your heart.” Let us give our hearts to her with these daily practices and prayers.
