

Reception of the Habit

Our six Postulants, dressed in white bridal gowns, led the Sisters in procession while singing the beautiful Marian hymn, "Ave Maris Stella." They asked to be admitted into the Congregation in those beautiful words from the Psalms, "One thing only I have asked of the Lord...that I may dwell in the house of the Lord all the days of my life." After being clothed in the religious habit, the new Daughters of Mary presented their crowns of roses to Our Blessed Mother. They then received their religious names and the book of the Rule and Constitutions.
