

Enthronement of the Sacred Heart

At the beginning of the school year, the image of the Sacred Heart was blessed and enthroned in each classroom with a special ceremony. In the words of one first-grade student at St. Anne's Academy, this means that "the Sacred Heart is the King of our school, of our hearts, and the whole world!"

Forty Hours' Devotion

From October 21-23, the Forty Hours' Devotion was held at St. Pius V School. The Sisters, students and parishioners attended the Solemn High Mass of Exposition and spent extra time in prayer and adoration of the Blessed Sacrament during the following two days.

All Saints' Day

Students in both our schools as well as in the catechism program at Round Top participated in the All Saints' pageant by telling a few facts about the saint whose costume they wore. Pictured here are the first place winners for each level at St. Anne's Academy.

A Special Intention

Please remember Sister Mary Joseph in your prayers, as she is undergoing treatments for cancer. Stationed at the Motherhouse, Sister assists with the finances of the Congregation and the construction of our building extension. She continues her duties as much as possible amidst her illness. We appreciate your prayers for her.
