Saint Joseph's Novitiate

April 2023

"Let us work, day by day, in the Lord's vineyard, seeking the greater glory of God."

– St. Frances Cabrini

Dear Friends of the Daughters of Mary,

As the end of the school year approaches, the Sisters are occupied with numerous events and tasks. This newsletter gives you a glimpse of some of these happenings in our convents and schools. In the midst of all our activities, we remember you in our daily prayers and sacrifices. May God bless you and yours.

In the Sacred Heart,

Mother Mary Bosco, F.M.

Mother Mary Bosco, F.M.

We continue developing plans for our new Motherhouse building. Meetings with mechanical engineers; reviewing bids on the electrical, plumbing, security, and fire alarm systems; and checking on building codes are some of our current tasks. We greatly appreciate your prayers for this intention and your generosity in helping us with this immense project.

Over the past few months, the Postulants have been sewing their habits. In May, they will submit to the General Council their official request for entrance into the Novitiate. This request will include three choices for the religious name they wish to receive on July 2.
