FROM THE MOTHER GENERAL

Dear Friends of the Daughters of Mary,

Over the last few months, many of the Sisters have been suffering from various illnesses and several have also lost a family member. During the holy season of Lent, focusing on the sufferings of Our Lord was a consolation and assistance for us as we tried to carry our crosses. I'm sure you, too, have your own trials and difficulties. I have found great encouragement from the story of Christ with the two disciples of Emmaus.
