FROM THE MOTHER GENERAL

Dear Friends of the Daughters of Mary,

The spring is a time filled with many events for us. In our schools the Sisters are busy with practices for their spring concerts and school plays. Plans for the high school sodality trips are underway, while the teachers are covering the last material before final exams. At the Motherhouse, work for our new building continues. We recently widened our property entrance and put in a delivery access. Since we plan to submit the completed plans for building permits in May, our engineers and architect are steadily working to finish

all the drawings. The Postulants and Novices are helping to clean up the Motherhouse grounds and make the flower and vegetable gardens ready for planting. We've also begun preparations for the annual ladies' retreats in Round Top next month, for our summer catechism program, and for the vestition and profession ceremonies on July 2. We share with you some pictures of these many activities.

The Sisters and I are grateful for your prayers and support. We continue remembering you and your intentions in our daily prayers.

In the Sacred Heart,

Mother Mary Bosco, F.M.
