Saint Joseph's Novitiate

February 2026

"In whatever you do, think of the glory of God as your main goal." - St. John Bosco

FROM THE MOTHER GENERAL

Dear Friends of the Daughters of Mary,

With the start of second semester, February is an eventful time in all of our convents. In this newsletter we share with you some pictures of our most recent activities. As we go about our duties, we remember you in our prayers, especially during the Forty Hours' Devotion, which will be held at the Motherhouse this month. We pray that Our Lord in the Blessed Sacrament will shower you and your family with many blessings and will help you to have a holy and profitable Lent.

In the Sacred Heart,

Mother Mary Bosco, F.M.

Mother Mary Bosco, F.M.

In preparation for the Forty Hours' Devotion, the Sisters decorate the altar and chapel with flowers and garland.

The Sisters repair a statue of the Sacred Heart.

Left: Our Postulants have begun the lengthy process of sewing their religious habits. In spite of the inevitable difficulties for those who are learning to sew, this is one of their favorite duties as they prepare to become Novices this July.

Below: Last month three Sisters traveled to Florida to assist with preparations for the ceremony of Confirmation, which was administered by Bishop Carroll, at Our Lady of Peace Chapel in Boynton Beach.

Sister uses a globe to teach the 5th and 6th grade students at St. Anne's Academy about the rotation of the earth and the seasons.

On the Feast of St. John Bosco, the Sisters host the annual carnival of games and prizes for the students and families at St. Pius V School.

Building Update

Despite the cold and snow, our construction crews have continued working on our new building. The excavation team has been backfilling the subgrade foundation walls which were poured in January. The masons are now setting the forms for the basement walls, which will hopefully be poured in March.
