"Alms shall be a great confidence before the most high God, to all them that give it." (Tobias 4:12)

From the Mother General

Dear Friends of the Daughters of Mary,

Thanks to your prayers and generosity, construction on our new building has continued without interruption since groundbreaking. We are encouraged by all that has been accomplished and want to share with you some of the highlights.

Excavation for the building site began August 11, 2025.

The Sisters visit the construction site during an afternoon recreation.

The concrete for the stair towers and elevator shafts was poured floor-by-floor.

Fifteen Months of Progress

Much has been accomplished in the last fifteen months. In August 2025 we broke ground for our new building. The following months were spent excavating the site and pouring the concrete foundation and basement walls. Through the spring, work continued on the elevator shafts, stair towers, and retaining walls. The summer marked a milestone with the installation of the structural steel. Since then, crews have been busy pouring the concrete sub-floors.

Our Next Goal
Installing the Exterior Walls

As we approach the end of the year, we are preparing to install the exterior walls. While we have sufficient funds for the wall panels themselves, we still need to raise the money for their installation.

With this in mind, we are setting a goal of $1,000,000 for our upcoming Giving Tuesday fund-raiser. Giving Tuesday, which falls on December 1 this year, is a worldwide day of giving which encourages generous donations to charitable causes. Through this campaign we hope to secure the funding needed to raise the walls and continue work toward enclosing the building.

Giving Tuesday Fund-raising Campaign

When: December 1 - January 6

Goal: Raise $1,000,000

Grateful to Our Benefactors

Through the intercession of good St. Joseph, God continues to provide for our needs, allowing us to move forward one step at a time. Every donation, no matter the size, has played a part in the progress of our building project, and we are deeply grateful to all who have helped make this possible. We remember you in our daily prayers. Please keep us in yours.

In the Sacred Heart,

Mother Mary Bosco, F.M.
